

**Vilnius
University**

VU MA STUDENT FROM NON EU / EEA STATE = YOUR EMPLOYEE

TALENT ACQUISITION FROM THE FIRST DAY OF MASTER STUDIES

Vilnius University attracts foreign students

- Each year >1500 students join VU master degree studies
- ~15% of them are foreigners
- ~1000 applications to VU MA studies from foreigners are received each year

Your future employee

COMPETENT AND TALENTED

Meets VU requirements for applicants to master's studies

WILL WORK AT YOUR ORGANISATION FROM THE BEGINNING OF STUDIES

During the studies, will combine studies and work (full-time), and after the graduation, will commit to work in the organisation for up to 3 years (Labour Code art. 37, p. 4)

Value for organisation

PERSPECTIVE EMPLOYEE

You will select the most promising candidate from non-EU/EEA countries and hire them immediately

ACADEMIC GUIDANCE

Throughout the studies, all research and paper works will be guided and evaluated by VU professors

IMPACT FOR STUDIES

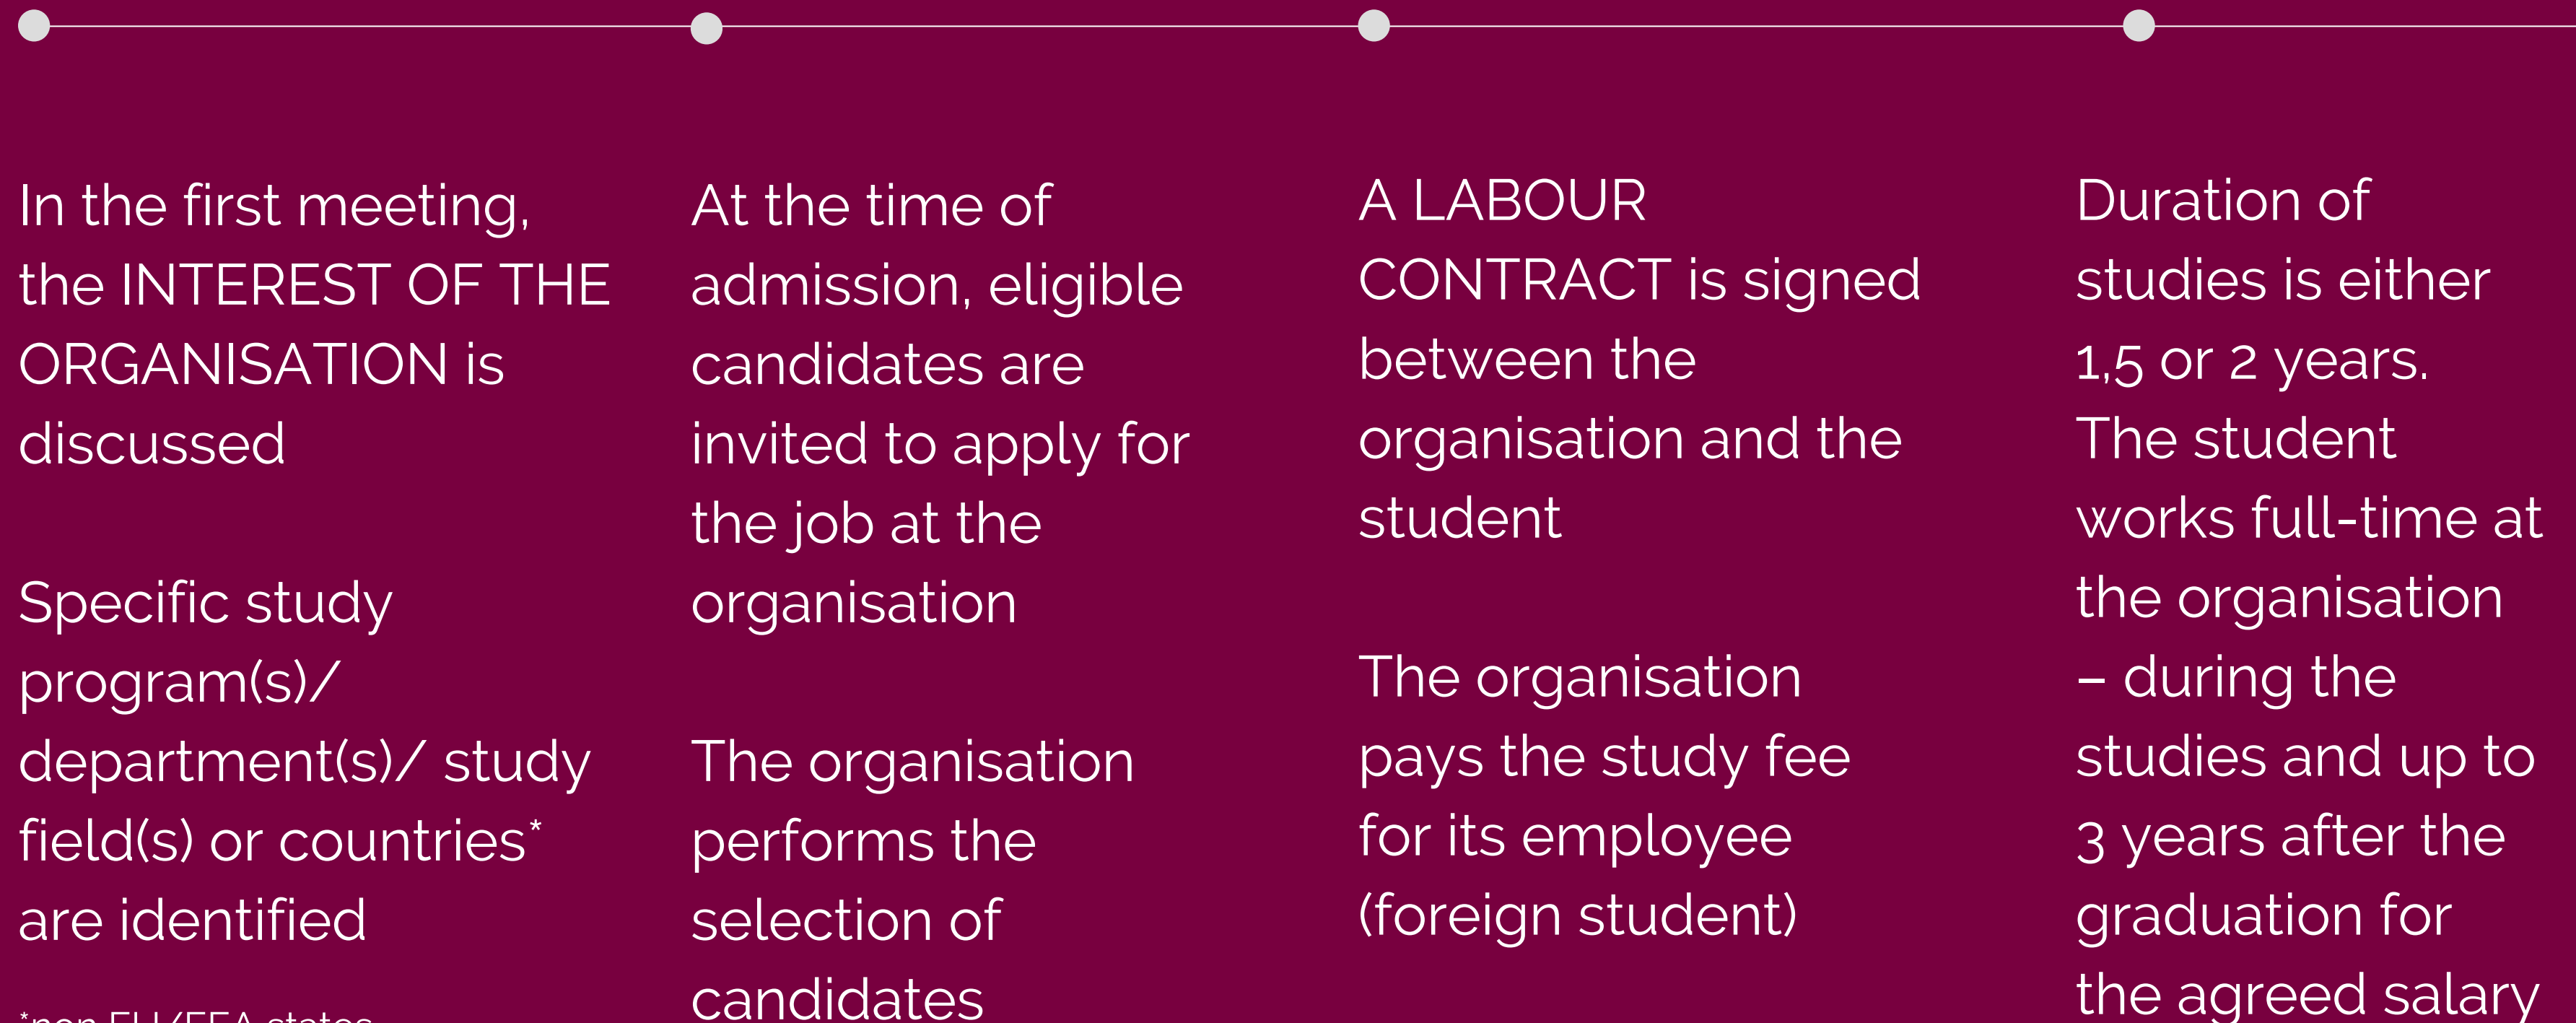

You will engage in the study process by suggesting topics for research and final thesis

LOYALTY AND MOTIVATION

From the first days of studies, you will invest in the student who is devoted to the organisation, loyal and motivated to work

Cooperation process

*non EU/EEA states
