WELCOME GUIDE

www.vu.lt/en/

Dear Colleague,

**Congratulations on becoming a member
of the Vilnius University community!**

We are delighted to welcome you to Vilnius University, where your knowledge, experience, insights, and creativity will be truly appreciated. Let's grow and improve together, embracing our responsibility and openness to the state, culture, and environment, as well as to society and each individual. We kindly invite you to join our ranks and get to know the University better.

To help new community members get up to speed, we have prepared the Welcome Guide that provides all the essential information.

I. Basic information

About VU

Vilnius University (VU) is a leading Lithuanian higher education institution with branches located in Vilnius, Kaunas, Šiauliai, Palanga, Pervalka, and Puvočiai. Ranking among the world's top 400 universities, VU not only cooperates with Lithuanian and foreign research centres and businesses but is also a member of the Arqus European University Alliance.

The University provides over 5,000 jobs for teaching staff, researchers, and professionals in a wide range of disciplines who appreciate a challenging and motivating working environment that encourages continuous professional development and learning. We are an open and innovative international community fostering mutual respect, diversity of opinion, and tolerance.

Vision

We are a University of a living tradition, committed to truth and society. We work together to be a globally recognised centre of scientific knowledge and critical thinking, as well as a force for positive change in Lithuania.

Mission

Arising from the past, motivated by present challenges, and passed on to future generations, the undeniable duty and the inalienable right of the University is to strengthen the cognitive and creative powers of Lithuania and the world in general, to promote academic and other spiritual and social values, as well as to educate active, responsible Lithuanian and global citizens and society leaders.

Values

OPENNESS to the diversity of ideas and views as well as to the distinctiveness of people and identities.

INTEGRITY of the University's goals, activities, and resources, based on personal dignity and respectful collaboration.

IMPROVEMENT by creating an enabling environment with a commitment to excellence, growth, and acceptance of those willing to improve, as well as to achieve exceptional value.

LONG-TERM PURPOSE stemming from a prospective foresight as a responsibility to the state and society, culture, and environment.
